

At St Mary's Infants, we try to live as Jesus would want us to. We believe that, whilst daily prayer is important, we need to serve our community.

In order to be good, we need to do good! These are some of the ways we are living our Catholic life:

In October our 'Friends' of St Mary's sold tea, coffee and hot chocolate after our Harvest assembly and at the end of the day to raise money for the people of Nigeria who have suffered terribly from the devastating floods.

In September Year 2 made and sold biscuits to raise money for the Pakistan flood appeal
