

Dear Parents / Carers

Here is an outline of the work we will be covering next week.

### Our Celebration Assembly

Our Award for Living in St. Mary's Way goes to **Asenay** in St. Francis and **Kali-Annah** in St. Martin.

Our Stars of the Week are **Zara** St. Martin, and **Sienna** in St. Francis.

**English:** A comprehension. Please remind your child to read each question carefully, especially the first word. When they write their answers in sentences, they need to check that they begin with a capital letter, end with a full stop, and that they make sense. It helps to return to the text to check answers, and underline the relevant part of the text where they find the answer.

**Spellings:** We will focus on the past tense of a word 'ed' as in skip will become skipped

**Maths:** Fractions - one quarter of given amounts. Please use anything you have at home that will help their understanding such as coins, dried pasta, buttons.

### R.E. and English

We will be drawing our topic on 'Opportunities' to a close next week. We will focus on the events of The Easter Story and Holy Week. We will have RE days on Tuesday and Wednesday to help the children understand the story so that during Holy Week they are more familiar with what happened on Palm Sunday, Holy Thursday, Good Friday and Easter Sunday.

### Mathematics

We will continue working on fractions. We have been learning about half of shapes, one quarter and three quarters. We will be finding quarters of numbers and then three quarters of a number.

Wishing you and all your loved ones every blessing.

The Year 2 Team.
