

# Summer Term

## **22nd June: St Francis Class Liturgy**

We had a very prayerful start to Thursday with St Francis Class and their parents. The children reflected on how lucky we are to have so many books and how there is one special book, the Bible, that we cherish and used to read and live in the way Jesus wants us to. The children reflected on their learning in this school and expressed their gratitude for the significant people in their lives. The parent's expressed their appreciation for the children and staff in the school.

## **28th June: St Andrew Class Assembly**

St Andrew class taught us all what it is like to be a good friend, and they reminded us on Jesus' rule 'To love one another as I have loved you'. They acted of the story of 'The Selfish Crocodile' - reminding us that we always need to be kind and share with other and also treat others how we wish to be treated.

## **29th June: St Martin Class Liturgy**

I had a wonderful, quiet and prayerful start to Thursday morning, at St Francis Liturgy with their parents. We thought about the Eucharist and what Jesus's friend were thankful for. We were all able to reflect on what we are thankful for. Which certainly make me think about all the things I have thankful in my life - being part of St Mary's family and watching the children grow, my family and friends and my health.

I think we should all stop and sometimes think about what we are thankful for in this life
