

Reception Newsletter

12th January 2018

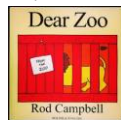

This week in our topic 'Celebrating' the children will be listening to the story of 'The Presentation' and talking about how our Parish family celebrate this feast day.

Communication, Language and Literacy

This week we will be focusing on writing letters to the zoo. The children will be learning about what they need to include when they are writing a letter. E.g. writing 'Dear' or 'To' to start a letter, writing a message and saying who the letter is from.

We will be learning the sounds: 'z,zz' 'y' 'qu'
We will also be introducing the tricky words 'he' and 'she'

At home: Practise writing all the sounds we have learnt so far.

Maths Development

This week we will continue to recognise numbers 1-15 and match the correct number of objects.

We will also be counting a set of objects that are presented in different ways and noticing that the number of objects doesn't change even when the arrangement does.

e.g ○○○○○

At home: Look for the numbers 11, 12, 13, 14, 15 on your way to and from school.

Ask your child to practice writing the numbers 1-15.

General Information

- Please make sure your child's PE kit is in school and it is ALL named. We are finding lots of shorts and T-shirts without any names on.
We have PE every Monday.

Many thanks the Reception team
